Host type selection

To comply with consumer authority commitments, we need the following info from partners so we can tell guests whether the property they're staying at is run by a professional or private host.

For more info, read this Partner Help article.

Which option describes you best?

- ○ **Professional host**
  Any party who rents out a property or properties for purposes relating to their trade, business, or profession (e.g. this is your main business, you're a property management company, collect VAT, have a business name, etc.)
- ◎ **Private / Non-professional host**
  Any party who rents out a property or properties for purposes outside their trade, business, or profession. (e.g. this is a side business, you only rent out occasionally, etc.)

Partner Liability Insurance

✓ You're enrolled in the program.

Our Partner Liability Insurance program gives protection of up to null against third-party lawsuits or liability claims for bodily injury or property damage incurred during the dates of a reservation made through Booking.com. You can opt in or out of this program anytime. Find out more about Partner Liability Insurance.
